### Support The Cure Starts Now

Play2Win is pleased to partner with Jacob Meyer on the 2015 Drive to the Hoop 3-on-3 Basketball Tournament.

Inspired by the story of collegiate basketball player Lauren Hill ([layup4lauren.org](http://layup4lauren.org)) and by the passing of his cousin Erika Rotheim to cancer at age 50, Jacob is striving to promote awareness and raise money for a great cause: The Cure Starts Now Foundation. For more information about this important charity, please visit [www.thecurestartsnow.org](http://www.thecurestartsnow.org).

We stand together to honor those who have lost their lives to cancer and fight for those currently battling this disease.
